EXPERIENCE

2003 - Current

Fort Worth, TX

The Reading Connection, LLC;

Owner; Bilingual Reading Specialist

Research Responsibilities & Capacities

- Annual Longitudinal Mixed Methods Clinical Program Evaluation Implemented 2010-present, available online www.reading-connection.com
- Implementation of quantitative and qualitative Research Methods to analyze and implement research-based reading and executive function treatments
- Facility with SPSS (PASW) and G-power; Familiarity with M-Plus & R for internal and external program evaluation purposes
- UT Austin Summer Statistics Institute 2012, Power Analysis and Structure Equation Modeling

Supervision Responsibilities

- Manage clinical staff (professional and support staff of 43 employees)
- Supervise all intervention services at 5 TRC locations (main office: Fort Worth; S. Arlington/Mansfield, HEB, Flower Mound, Colleyville)
- Wrote and implemented employee operations manual for all employees.
- Trained all employees on operations manual as well as implementation of client treatment plans.
- Plan and implement quarterly town hall meetings to disseminate information and discuss current scientific research pertaining to our client base.

- Created and implemented TRC Lesson Plan format.
- Created and implemented TRC Quarterly Client Progress Reports.
- Review lesson plans and quarterly progress reports of all specialists to ensure that treatment plans are specifically being followed.
- Oversee complete clinical caseload of over eighty students at 4 locations.
- Coordinate site-sharing services with director/owner of Monkey Mouths Speech Clinic and director/owner of OT at Home so that on-site speech/language, OT and reading services are available to all 3 clinical populations in 5 DFW locations.

Marketing/Business Planning Responsibilities

- Plan and implement bi-weekly office staff meeting (director, full time assistant-director/reading specialist, operations manager) to facilitate division of labor and improve efficiency of business processes and client relations
- Developed and implemented monthly e-newsletter to keep clients informed on best practices in education and current reading events of interest
- Facility with Quickbooks: billing, expenditures, payroll, taxes
- Meet regularly with school officials in private and public sector to discuss our services and partnership opportunities.
- Work with graphic artist to develop company literature: logo, nametags, business cards, brochure and information flyers.
- Hired and worked with website engineer to develop quality business website.
- Hired and worked with computer hardware technician to ensure that all clinic technology is functioning and up to date.
- Hired and worked with HR consultant with corporate experience to streamline and create processes for hiring
- Developed and analyzed client satisfaction survey (100% satisfied in all variables) which is given to clients annually as part of clinic wide program evaluation.
- Developed and analyzed client exit/release survey which is given to clients annually as part of clinic wide program evaluation.
- Collaborated with local service providers (neuropsychologist, pediatric psychologist, speech language pathologist, occupational therapist, counselor, and psychiatrist) to provide comprehensive treatment.

Instructional Responsibilities

- Founded and began implementation of private intervention for children with reading and learning difficulties in both English and Spanish.
- Specific work with children diagnosed with the following difficulties: dyslexia, dysgraphia, reading disorder, ADHD, cognitive disability, Asperger's syndrome, Down's syndrome, anxiety disorders, Autism spectrum conditions, pervasive developmental disorder, major depressive disorder, dysthymic disorder, bipolar disorder, schizoaffective disorder, speech and language disorders, various genetic conditions, as well as children with multiple comorbidities

and twice exceptionality (gifted in conjunction with one or more disorders listed above)

- Implemented formal dyslexia assessment diagnosis using multiple standardized measures to form a dyslexia portfolio.
- Developed qualitative reading, math, and Executive Function intake assessment to pinpoint specific reading strengths and weaknesses of the individual child.
- Developed individual treatment plan for each client based on his or her intake evaluation.

Advocacy Responsibilities

- Developed IEP and 504 plans for clients and advocate for clients by attending school meetings (ARD, IEP, 504 conferences).
- Worked directly with schools to help school personnel understand client's specific learning needs.

Grant Writing and Supervision

- Wrote and Awarded State Level Grant to receive status as a service provider for supplemental education services throughout the state of Texas. Supplemental Education Services (SES) are offered to low income students in schools who are failing to meet national standards as laid out in No Child Left Behind. Intervention services on par with services provided to private clients (see above) are provided free of charge to families as funding is provided by the grant. 2010-current
- Wrote and Awarded Fort Worth ISD After School Grant – Supplemental services for at-risk students at specific campus locations. 2010-2012

Professional Development Responsibilities (International and National Presentations)

Presenter American Education Research Association

- AERA, 2014, Philadelphia, "Treatment of Rapid Naming, Reading Rate and Visual Attention in Single and Double Deficit Dyslexics," **Original Research Presentation. Award: Bruce Thompson Outstanding Paper**
- AERA, 2014, Philadelphia, "In Search of Research Literacy: Toward Development and Validation of an Ed.D. Dissertation Rubric" **Original Research Presentation**

Presenter United Kingdom Literacy Association

- UKLA, 2014, Oxford, "Effects of Using E-Readers with Middle Grade Students: Implications for Best Practice" **Original Research Presentation**

Presenter Association of Teacher Educators
